

Dear Parents,

26th August, 2020

Well done to all our students for their continued efforts in completing the learning tasks provided by class teachers and specialists and for participating in the Webex meetings and conferences. It has been great to see the positivity and enthusiasm shown. Keep up the excellent work! A big thank you once again to all our families for your ongoing support and to the teachers for always ensuring the best for all our students.

Virtual Disco - Friday 28th August

This Friday 28th August we will be having a Virtual Disco via Webex from 5-5:30pm. This will provide us with an opportunity to connect as a school community and have some fun together. To ensure the music is as clear as possible, can families please share one device and also have themselves on mute. Please leave your video on so students can see each other. Little Lucas will be there with his disco gear on!

Art Blog

On our website Mrs Glanville has created an Art blog to share and celebrate the amazing artwork our students have been producing. The link is – <http://lucasps.vic.edu.au/index.php/visual-arts>. Please take the time to have a look. I'm sure you will be impressed!

Pupil Free Day - Friday 11th September

You may remember that we had a pupil free day planned for August 17th to enable staff to participate in professional learning but due to the return to remote learning this did not happen. As a replacement for this day, we will be having a pupil free day on Friday 11th September. On this day staff will be involved in professional learning and planning related to our Instructional Model. There will be no remote learning tasks on this day and no onsite supervision.

Assembly Videos

Thank you to Mr Roger for creating our assembly videos each fortnight. We hope you have been enjoying them. It is great to still be able to celebrate students' learning and achievements together.

EXCELLENCE AWARDS

Ruby - Prep

For taking on feedback and trying her hardest with all learning tasks.

Jax - Prep

For showing his knowledge of spelling patterns and applying this in his writing.

Scarlett-Rae - Gr 1/2

For taking on feedback and trying hard in home learning.
