

Dear families,

16th December, 2020

Thank you

What a year it has been! Back in February we welcomed the first ever students, staff and families to our brand new school and who would have thought the year would unfold as it has. While there have been many challenges along the way, there has also been many things to be proud of and grateful for. Together we have created a wonderful school with a positive, supportive culture, high quality teaching and learning and strong home-school partnerships.

Thank you and well done to all our amazing students for their efforts throughout the year. You should all be proud of your achievements. Thank you to our enthusiastic and dedicated staff for always providing the best for our students and to all our families for your ongoing support and positivity. We look forward to welcoming everyone back into the school grounds in 2021.

Transition Day

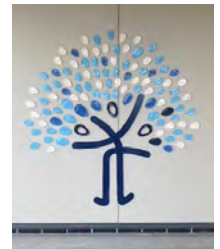

We had a wonderful transition day last Tuesday with students spending the afternoon in their new grades with their 2021 teacher. We will have 8 classes next year - three Preps, three 1/2s, a 3/4 and a 5/6. The Prep and 1/2 classes will be in the learning community we are currently using and the 3/4 and 5/6 classes will move into the other learning community where the kinder has been. Exciting times ahead!

House Names for 2021

Thank you to all families who made name suggestions for our four new Houses. We were very impressed with the research, thought and effort put in. Once school returns next year, the House names will be shortlisted and sent out so all families have the opportunity to vote for their favourite / preferred names. The four colours will be red, blue, yellow and green.

Grade 6 Graduation

Congratulations to our Grade 6 students on a memorable graduation ceremony on Monday night. I know that all the staff and family members in attendance were very proud of our eleven graduating students. So special to be the first ever grade 6s and graduating class. We wish all students the very best for the future and hope they have many happy memories of their time at Lucas Primary School. Best wishes also to the families who are leaving.

Ceramic Tree

A big thank you to Mrs Glanville for creating an amazing ceramic tree representing the names of all students and staff at Lucas Primary School in our opening year. The tree is situated on the wall of the administration building as you walk in the main gates. It really is a masterpiece!

School Captains

Well done to Danielle and Katie for being excellent school captains in 2020 and for always showing our school values to a high standard.

Congratulations to our school captains for 2021 - Keeley, Jannah and Hunter. We know you will be great student leaders.
